FRABRIC SEAT

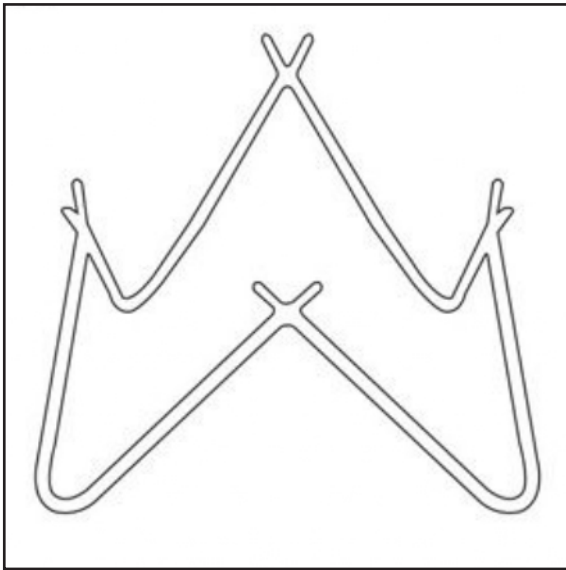

HARDWARE - SCREW

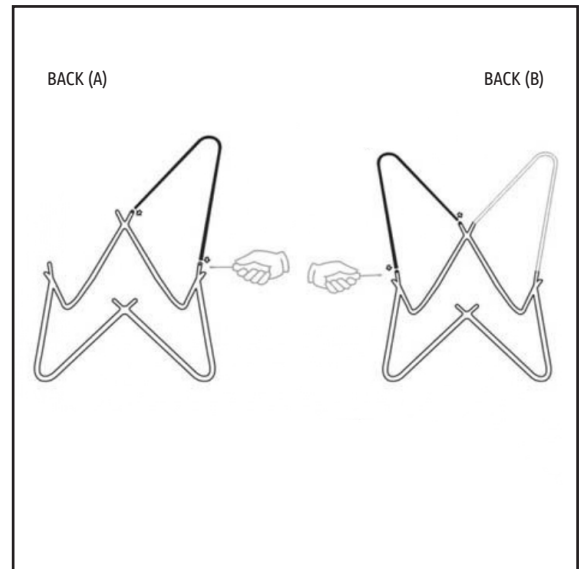

ORESTELUCHETTA

STEP 01

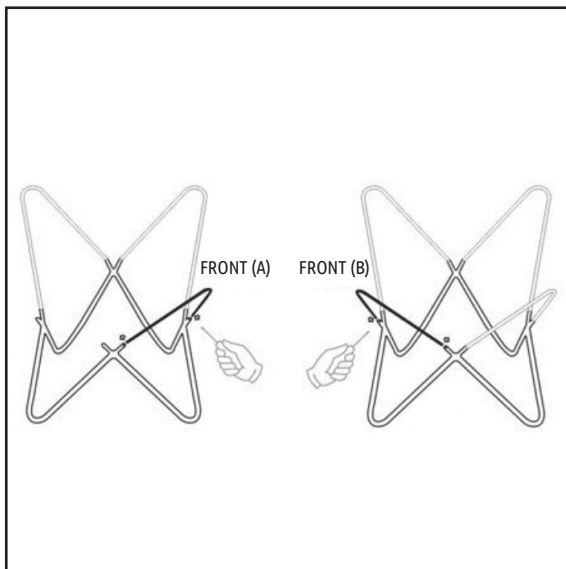

Place base frame into a clean, padded surface.

STEP 02

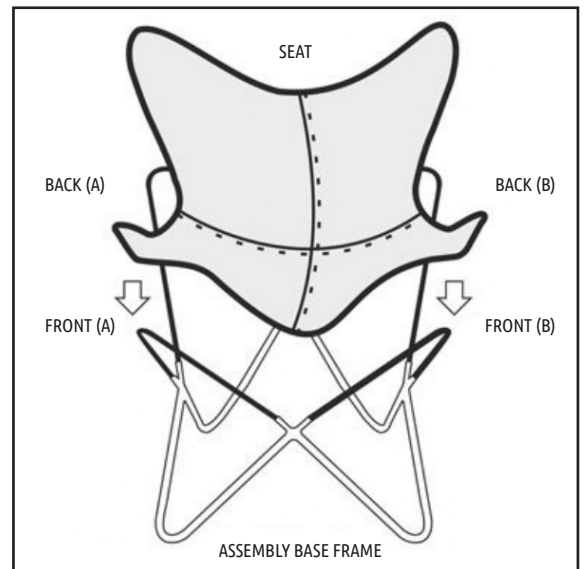

Connect back (A) and back (B).

STEP 03

Connect Back (A) and Back (B), do the same with Front (A) and Front (B). Screw all parts tightly for safety screwdriver.

STEP 04

Fit seat pockets of fabric seat over each corner of assembled base frame as shown. Make sure back, front & base frame are securely engaged.
