Fabric Seat

Hardware

Screw

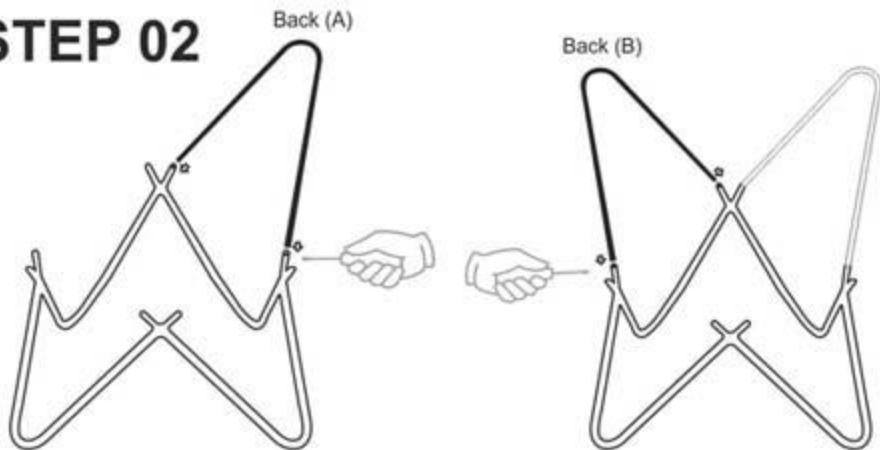

STEP 01

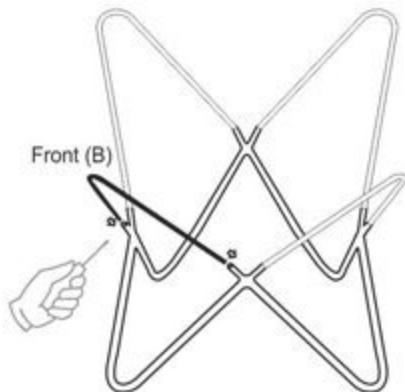

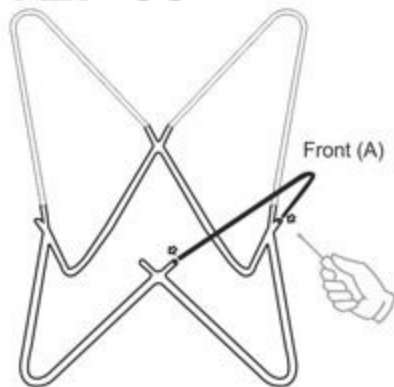

Place base frame onto a clean, padded surface.

STEP 02

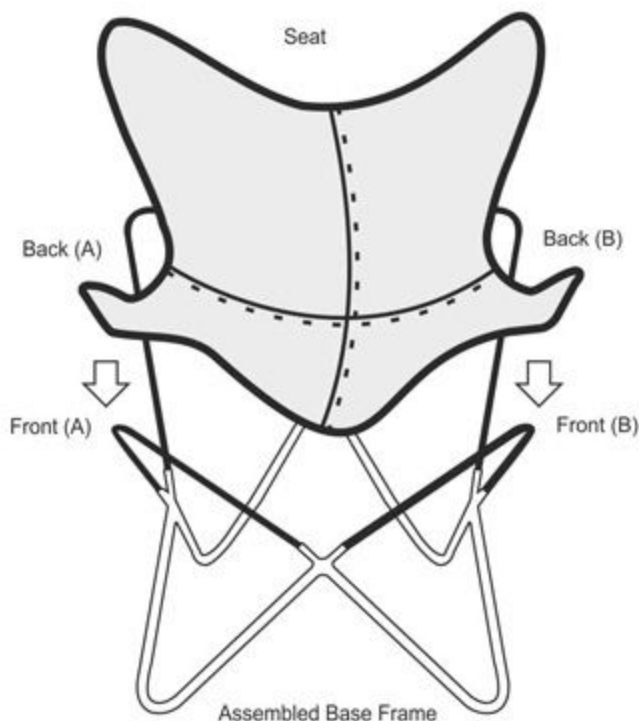

Connect back (A) and back (B).

STEP 03

Connect back (A) and back (B), do the same with Front (A) and Front (B) Screw all parts tightly for safety with screwdriver.

STEP 04

Fit seat pockets of fabric seat over each corner of the assembled base frame as shown. Make sure back, front & base frame are securely engaged. Assembly is now complete.
